

Sinclair Broadcasting's decision to force their stations to air a highly biased and unfair documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest!! Sinclair's actions show why we need to strengthen media ownership rules, not weaken them. They show why the license renewal process needs to involve more than a returned postcard.

As so very biased-- please DO NOT renew the licenses for Sinclair stations. They are abusing the power.

Thank you.
